

We are

looking for an

EVENTS MANAGER

A talented, passionate experienced events guru to organise and manage all events big and small, real and virtual, glam and decidedly not.

Basically anything that involves people gathering in person or virtually. Plus other marketing work as and when needed.

who are you?

- ✓ Strong event and marketing management experience
- ✓ A well organised multi-tasker
- ✓ Strong comms skills and great with people
- ✓ Solid technical skills - can cope with event management software (amongst others)
- ✓ People management experience - running an on the ground junior team

benefits.

Be challenged	✓	Make a difference	✓
Save the world	✓	Rewarding environment	✓
Have fun doing it	✓	Job satisfaction	✓
Be part of the solution	✓	A gym, corner office, medical aid, insurance, 13th cheques, bonuses	✗

about us.

We're a not-for-profit in the youth unemployment space - we tackle this HUGE challenge by partnering with many others which means lots of events. This is nothing like working for a corporate you'll probably work harder, but there is less structure and red tape it is an extremely high performing environment where people get sh*t done !

We like to find people that fit our culture and team and then the job evolves around them!
